

4TH QUARTERLY NEWSLETTER 2022 Oct 2022 to Dec 2022

150 types of Banana varieties

Millet Biodiversity in Kisan Swaraj S sammelan

230+ VARIETIES
RAJMA

Beans Varieties

We participated in 3 days **Asha Kisan Swaraj S sammelan** at Mysore, Karnataka organized by Asha Kisan Swaraj and other organisations. We were part of it as CSO representative to participate as a Native Seed Saver. We had very much valuable learning about diverse crop varieties that will enrich us with learning about our work at **AGRO RANGERS** in future.

GREEN ENERGY INSTALLED IN FIELDS

We have installed a solar pump for borewell at **AGRO RANGERS**. We are going with more green energy at our training centre. We are very thankful to Vigyan Ashram team for their support to do the installation.

TRAINING FOR AGRI STUDENTS

We have completed 2 days unit attachment training under RAWE program for agriculture students from D Y Patil College of Agriculture, Talegaon. 24 students participated in a 2 day program and six students completed their internship for 2 months at our training centre.

NEW OFFICE FOR 'HEALTHY SOIL' IN FUTURE

On the auspicious day of Dussehra, we have inaugurated our newly opened regenerative organic training farming centre and office for farmers to educate about soil health. At **AGRO RANGERS**, we are working towards rejuvenating the soil health of farmland. We have set up a training centre space to train and provide solutions to the farmers in improving soil quality. It's our dream to have such an amazing space for farmers and our teams. We are thankful to all our donors, teammates, organizations and supporters for supporting us in this better cause of farmers.

PLANTING DIVERSITY IN LAND

With the support from Farmers for Forests and Nisarg Foundation, we are planting a biodiversity forest in 3 acres of land with the help of the local community. We received the 750 saplings and drip support from farmers for forest organization and 100 saplings from 14 Tress foundation. As our area is in a drought region, we are installing a water tank on site for drip irrigation with the support from Nisarg Foundation.

We have planted more than 60 native varieties of total 850 plants which have covered 2 acres of land. The best part is we had a very good rain after the plantation. We will be planting more 400 saplings on the remaining 1 acre of land. We are very thankful to the Nisarg Foundation and Farmers for Forest organization for their support.

VISIT OF NISARG TEAM

The Nisarg team visited the AGRO RANGERS on 14th December 2022. We are part of their financial support to implement agroforestry model at our training center farm. With the support of Nisarg Foundation, we are converting 7 acres of landscape it into regenerative agroforestry models. We are very thankful to Mr. Vikrant Srivastav, Mr. Rishi Agarwal and Mr. Owais Rahman for their visit and understanding our work.

VISIT OF BAJAJ CSR TEAM

Bajaj csr team visited AGRO RANGERS model as a part of due diligence through UnLtd India. We are part of UnLtd India as their incubation program and Bajaj CSR team is the one who is granting funding to us through UnLtd India. We are very thankful for the team for their visit.

NEXT 3 MONTHS PLAN

Next three months plan-

1. Implementation of Agroforestry project on pilot scale.
2. To organize farmers market to support farmers and artisanal community.
3. To conduct training on our model 'Baradhanya - Climate resilient cropping systems for nutrition security.'
4. To host workshop on 'Youth in Regenerative Agriculture.'

"Thank you so much to all our donors, friends, partner organizations, supporters and **AGRO RANGERS** team who made our work possible. We believe one day we will achieve our vision of rejuvenating soil and improving farmer's life. I would like to invite you to be part of our journey by contributing financially, volunteering and in collaboration.
